The Management Board of FABRYKI MEBLI "FORTE" S.A. with its registered seat at Ostrów Mazowiecka (hereinafter referred to as Issuer) announces that on 5 February 2018 it signed a supply contract (hereinafter referred to as Contract) with Pfeiderer Polska Sp. z o.o. with its registered office in Wrocław, for delivery of material i.e. wood-based panels, which is strategic for furniture manufacturing. The subject matter of the Contract covers the delivery to the Issuer's manufacturing plants of raw particle board, laminated particle board, raw HDF board and lacquered HDF board in the quantities agreed on by the Parties. The Contract was signed for two years i.e. until 31 December 2019.

Owing to the fact that the price of delivered materials will be fixed using the pricing formula provided for in the Contract, based on prices of basic inputs used for manufacturing of wood-based panels, the Contracting Parties expect that the estimated value of the Contract will total approx. PLN 132,000,000.00 (in words: one hundred thirty two million Polish zlotys).

The Company's Management Board evaluates that entering into the Contract with Pfeiderer Polska Sp. z o.o. secures for the Issuer the continuity of supplies and enables it to fulfil orders placed for furniture.
